

# How to Pay Your Dues Using an Online Portal

Marin REALTORS® has implemented an online membership management portal in an effort to streamline and expedite the process of paying dues. You can also self-service other membership changes and updates through the portal, which we recommend you explore at some point.

Marin REALTORS® do not charge any processing fees for using a credit card. Additionally, you have the capability to "Modify" your contributions on our online portal by adhering to the guidelines provided below (you may modify to your desired amount):

To pay your dues online:

- Visit our new website: [www.MarinREALTORS.org](http://www.MarinREALTORS.org)
- Click on the "Member Login" at the top right

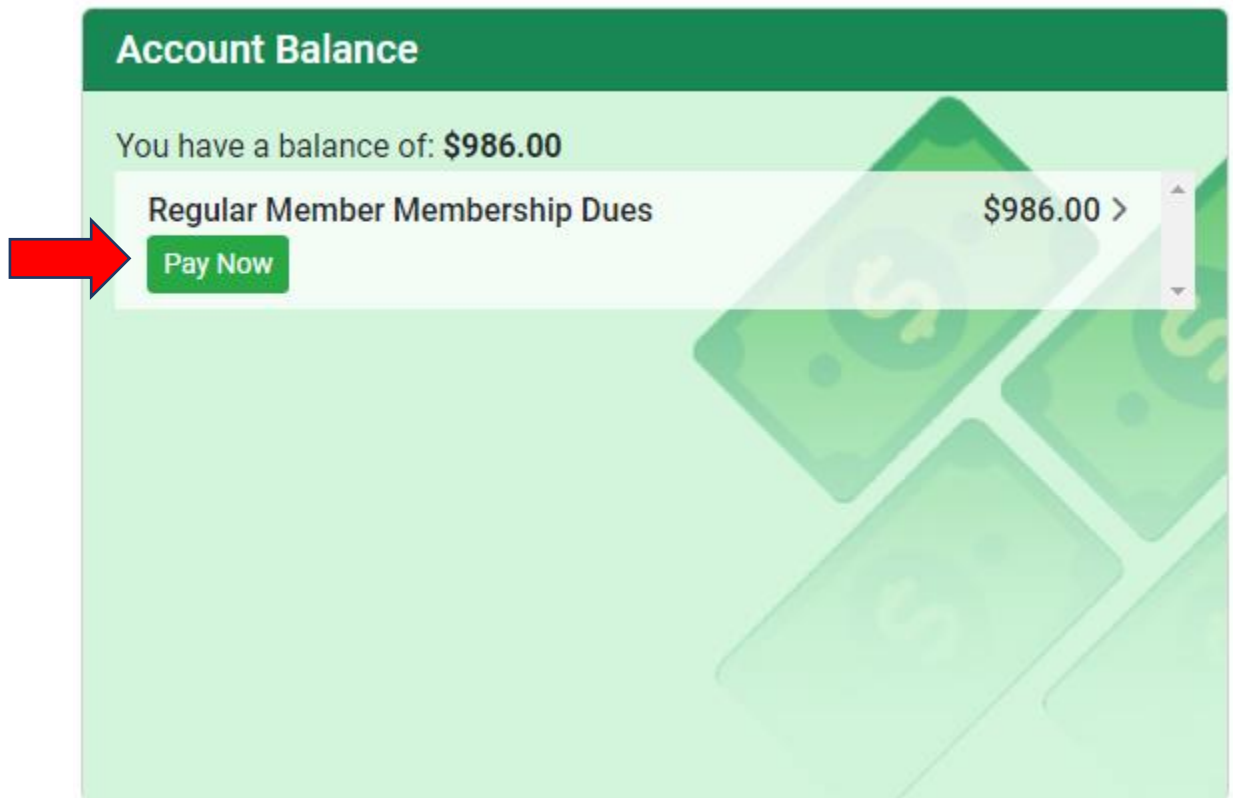

- This will ask you to log in with your NRDS number, which looks like **1775XXXXX**.
- If you haven't changed your password, it is likely set at the default of **1234**. We recommend changing your password if you have not done so already

Continue →

- Once you've logged in, click the Green "Pay Now" button.
  - You'll see a box with your balance and a button that says, "Pay Now."
  - Click the green "Pay Now" button

Please note that you may need to disable the pop-up blocker in your Browser. This is particularly common on Apple Devices.

Continue →

- On the next screen, you will see your local Marin REALTORS® INVOICE - We encourage you to save this for tax purposes.
